## Summary

Versatile designer with five years of professional experience in design, illustration and production art for print, web and video. Notable achievements include:

- Commissioned in 2009 by the Director of the Haas Center for Public Service at Stanford University to create artwork honoring a valuable employee for her many years of service.
- In 2009, received praise for updating the look and feel of announcements, invitations, advertising and promotional items for the Ronald McDonald House at Stanford's annual fundraising event.
- Designed headline type treatment, assisted with page layout and produced final art for an advertisement that received an Advertising Excellence Award from Reed Business Information in 2007.
